GENERAL REGULATIONS

(For the conduct of competitions at QCAS affiliated Queensland Agricultural Shows)

Subject to the Rules, By-Laws and Regulations of the Queensland Chamber of Agricultural Society's Inc. (QCAS) and the Society relevant to this schedule, all QCAS General Rules & Section Rules are available on request from the Secretary, or on the Boonah Show Society Web Page.

Where there is a conflict between these regulations and the regulations and rules of the local Agricultural Society, the rules of the Affiliated Agricultural Society prevail.

TO ALL EXHIBITORS OF LIVESTOCK

Livestock returning to the cattle tick protected free areas must be sprayed.

Boonah Show Society has an approved spray facility located within the Boonah Showgrounds, and will have an approved tick control person and equipment to undertake the required treatment for livestock exhibited at the showgrounds prior to the stock leaving the grounds on their return movement to the property of origin.

To be eligible to have the approved person treat your stock you will need a Queensland Travel Permit issued by your local Stock Inspector and a fully completed Queensland Livestock Movement System – Move Easy Waybill.

The permit will be from your property to the showgrounds and return subject to the conditions endorsed on the permit including:- the return movement must be within 72 hours for cattle, deer and buffalo: or within 5 days for horses, sheep, goats and camels, and that will allow for the approved person to perform the required treatments. Under no circumstances will the approved person perform any treatments of stock unless all conditions of the permit are met, and the permit and waybill presented.

**STOCK CAN BE SPRAYED AT BOONAH SHOW GROUNDS BY ARRANGEMENT
AT EXHIBITORS EXPENSE**

**PHONE: Tick Management Aust. TMA Accredited Tick Inspector
Julie Springthorpe 0427 993 266 Cost \$15-00 per animal**

Acknowledgement

The Committee of the Boonah Show Society Inc wishes to thank most sincerely the donors of trophies and prize money mentioned in this Schedule and also the donors who have assisted the Society funds generally.

Without their valued support, it would not be possible to stage this event.

We look forward to their continuing support for another 120 years of District Shows.

**The President & Members of the Boonah Show Society
thank the Queensland Government
for their financial support through the Show Societies Grant Program.**

This financial assistance is a great help to all Show Societies, assisting them to continue to stage their Annual Show and enabling their district to gain from the economic, social and cultural benefits that shows bring to their local community.

SHOW ED**FRIDAY 29th May, 2020****Chief Steward:- Judith Gillam****Stewards: Junior Show Committee****Students will receive registration information through their School.****AIM OF SHOW ED:-**

- To educate Students that there is more to shows than Sideshows/Show Rides, Fairy Floss & Sample Bags and spending a lot of money! While all these things are part of the traditional Show, and it would not be a Show without them, we would like to show Students the other side of their local Show.
- To give Students the basic understanding of how to prepare and present exhibits, how to use their show schedule, what Judges are looking for, and background information of some of our most important primary producers, such as dairy, agriculture, cattle, poultry etc.
- The opportunity to awaken a desire to learn new skills, and to instil an appreciation of the skills and effort put in by the many exhibitors in all the different Sections of the Show.
- To understand the tradition and importance of their local Country Show, enabling them to appreciate the work and effort it takes to stage such an event.

PROGRAM:-

Junior Students (Prep & Years 1 & 2) will be invited to attend the Show for half a day.
Morning & Afternoon Groups. Special Interactive Area. Stamp Book provided.
