

BOONAH SHOWGROUNDS IS AN APPROVED COVID SAFE VENUE AND THE SHOW IS OPERATION UNDER A COVID SAFE PLAN

KEEPING COVID SAFE

The key principles to keeping COVID safe at the Boonah Showgrounds and the Boonah Show are as follows:

BEFORE THE SHOW

HAVE SYMPTOMS? - DON'T COME

COVID-19 affects different people in different ways. Most infected people will develop mild to moderate illness and recover without hospitalization. The symptoms of COVID-19 are very similar to the symptoms you have if you have a cold with the most common symptoms being fever, dry cough and tiredness. Less common symptoms include aches and pains, sore throat, diarrhoea, conjunctivitis, headache, loss of taste or smell a rash on skin or discolouration of fingers or toes.

If you are exhibiting any of these symptoms, please don't come to the 2021 Boonah Show and seek medical advice as soon as you can.

CONTACT TRACING

To comply with our COVID plan we need to have a registration system upon entry so that if an outbreak occurs, contact tracing can take place and Qld Health can get in touch with everyone who was at the show on a given day. We will use several methods to enforce this registration system.

ELECTRONIC REGISTRATION

Everyone must scan this QR code each day that you are coming to BOONAH Showgrounds and the 2021 Boonah Show and complete the registration details.

OR

MANUAL REGISTRATION

At the gate upon entry you must complete a registration form and provide us with your name, contact details and answer the COVID screening questions.

ENTRY

To comply with our COVID plan our system of entry needs to be as contactless as possible.

NIL CONTACT ENTRY

Pre-purchase your ticket in any of the ways provided to gain entry to the Showground and the show in a contactless manner. Limited provision will be made for cash payments.

At this point you show your evidence that you have scanned the QR code.

MINIMAL CONTACT ENTRY (vehicles)

Remain in your vehicle as you register & present your prepaid pass or pay entry fees .

OR

MINIMAL CONTACT ENTRY (pedestrians)

Maintain physical distancing as you register & present your prepaid pass or pay entry fees .

DURING THE SHOW

SANITISER

To comply with our COVID plan we are providing bottles of 80% alcohol based hand sanitiser at all showgrounds entry points and at regular points throughout the Showgrounds. Please sanitise your hands regularly during your visit to the Boonah Show.

PHYSICAL DISTANCING

To comply with our COVID plan we are providing signage around the Showgrounds and making announcements to remind you to maintain physical distancing of 1.5m away from people not in

your usual household group. This will apply to all parts of the 2021 Boonah Show including pedestrian walkways, side show alley, section exhibits, inside pavilions and seating. You are responsible for maintaining your distance from other people.

WASHING HANDS

To comply with our COVID plan we are providing signage in all the amenity blocks on Boonah Showgrounds reminding you to wash your hands regularly using soap and water and lathering your hand for approx. 20 seconds before rinsing. Dry using single use paper towel.

CAPACITY LIMITS

To comply with our COVID plan we are providing signage on all buildings that create an enclosed space, indicating the maximum capacity limit for that space. Please comply with these maximum capacity limits so that everyone inside has the opportunity to maintain their physical distancing.

ENTRY/EXIT

To comply with our COVID plan we are providing signage indicating where you are to enter and where you are to exit. These directions can apply indoors or outdoors, and can apply to buildings or open spaces. Please follow these directions to minimise co-mingling and cross over of queues.

FOOT MARKERS

To comply with our COVID plan we are providing foot markers where we are expecting queues to occur. These foot markers will indicate your position 1.5m away from the next person in the line. Please comply with all foot markers to maintain physical distancing standards.

SEATING MARKERS

To comply with our COVID plan we are providing seating markers where we are expecting patrons to be seated. These seating markers will indicate your position 1.5m away from the next person. You may disregard the seating markers if your group is all from the same household. Otherwise, please comply with all seating markers to maintain physical distancing standards. .

AFTER THE SHOW

SYMPTOMS? GET TESTED

If you do exhibit symptoms of COVID-19 after visiting the Boonah Show, see a doctor and get tested immediately.

PRE PURCHASE TICKETS

Due to Covid restrictions, we are encouraging everyone to pre purchase tickets to avoid delay on the Gates. Tickets can be pre-purchased when placing your entries with Showday On Line, via Ticketbo, from IGA Boonah, your Show Membership Ticket or pre-purchase over the counter at the Show Office.

You will be required to register your attendance with the QR Code or manually with Sign in Sheets when entering the grounds.

This is mandatory in order to run a Covid Safe Show
