AIM OF SHOW ED:-

- To educate Students that there is more to shows than Sideshows/Show Rides, Fairy Floss & Sample Bags and spending a lot of money! While all these things are part of the traditional Show, and it would not be a Show without them, we would like to show Students the other side of their local Show.
- To give Students the basic understanding of how to prepare and present exhibits, how to use their show schedule, what Judges are looking for, and background information of some of our most important primary producers, such as dairy, agriculture, cattle, poultry etc.
- The opportunity to awaken a desire to learn new skills, and to instil an appreciation of the skills and effort put in by the many exhibitors in all the different Sections of the Show.
- To understand the tradition and importance of their local Country Show, enabling them to appreciate the work and effort it takes to stage such an event.
